

Strategic Capital for Manufacturing®

IGP was founded with a single vision: to invest in and build global, market-leading industrial businesses. We specialize exclusively in the industrial sector with a particular focus on engineered products businesses and niche industrial services companies.

20+
years

Who we are

IGP has over two decades of experience as a specialist in the industrial sector. We have raised more than \$2.2 billion in equity capital across five funds and have successfully invested alongside management in over forty platform transactions. We are backed by a blue-chip list of Limited Partner investors, including highly-regarded endowments, foundations and the pension funds of several Fortune 500 industrial companies.

How we work

We work with each of our teams in customized ways to help them unlock the unique potential of their businesses. Our role is highly collaborative and strategic in nature—facilitating management’s efforts to build value in a business. We work with managers to pursue key initiatives that we believe are in the best interests of long-term company success.
