

Strategic Capital for Manufacturing®

IGP was founded with a single vision: to invest in and build global, market-leading industrial businesses. We specialize exclusively in the industrial sector with a particular focus on engineered products businesses and niche industrial services companies.

25+ years

Who we are

IGP has over two decades of experience as a specialist in the industrial sector. We have raised more than \$3.4 billion in equity capital across six funds and have successfully invested alongside management in over forty platform transactions. We are backed by a blue-chip group of institutional Limited Partner investors.

How we work

We work with each of our teams in customized ways to help them unlock the unique potential of their businesses. Our role is highly collaborative and strategic in nature—facilitating management’s efforts to build value in a business. We work with managers to pursue key initiatives that we believe are in the best interests of long-term company success.

Investment Characteristics

- Revenue: Up to \$250 million
- EBITDA: Up to \$40 million
- Platforms headquartered in the U.S. or Canada (no geographic limits on add-ons)
- Manufacturing and industrial services businesses
- Prefer “intermediate” products sold in business-to-business setting
- Strong market positions
- Transaction types: entrepreneur/family-owned recapitalization, corporate divestiture, private equity-owned company

Preferred Industry Sectors

- Aerospace and Defense Components
- Analytical Instruments and Measuring Devices
- Critical Industrial Services
- Electrical and Electronic Equipment
- Engineered Materials
- Fluid Control, Filtration and Pumps
- Healthcare and Safety Equipment
- Industrial Components and Equipment
- Infrastructure and Power Products
- Process Instrumentation and Controls
- Specialty Chemicals, Adhesives and Coatings
- Testing and Inspection Services

Advisors

- Pat Forster
- David Huberfield

Industrial Growth Partners Portfolio Companies

CURRENT

AEM *San Diego, CA*

Manufacturer of advanced, high-reliability electrical components serving the A&D, power, IT and general industrial markets

Hultec *Houston, TX*

A leading designer, manufacturer and distributor of engineered sealing solutions and other elastomeric products for waterworks infrastructure and industrial applications

APCT *Santa Clara, CA*

Manufacturer of quick-turn, complex printed circuit boards for low volume, high mix applications across aerospace & defense, medical, data center, test & measurement, and other industrial end markets

Hydromax USA *Dallas, TX*

Provider of outsourced infrastructure services, specializing in data collection and analysis for locating and assessing the condition of water, wastewater and natural gas conveyance systems

BMG *Beaverton, MI*

Provider of turnkey thermoforming and packaging automation systems for the food & beverage market

Process Insights *Houston, TX*

Manufacturer of analytical instrumentation used to provide compositional analysis and measure contaminants within gases and liquids in demanding and high cost-of-failure applications

Double E *West Bridgewater, MA*

Manufacturer of engineered web converting and web handling components and equipment enabling the production of a wide variety of non-discretionary end products

Prince & Izant *Cleveland, OH*

Provider of highly-engineered brazing alloys and precision engineered materials in various forms, as well as kits and flux, delivering specified products for critical and demanding applications

SELECTED FORMER

API Heat Transfer *Buffalo, NY*

Heat exchangers and heat transfer equipment

Atlas Material Testing Solutions *Chicago, IL*

Weathering testing instruments and services

ASPEQ Heating Group *St. Louis, MO*

Provider of custom-configured electric heating and thermal management products

Cambridge International *Cambridge, MD*

Manufacturer of metal conveyor belts

Climax Portable Machine Tools *Newberg, OR*

Manufacturer of portable machine tools and welding systems

Controls Southeast *Pineville, NC*

Thermal piping and components

Des-Case *Goodlettsville, TN*

Manufacturer of specialty filtration products

Electric Power Systems International *St. Louis, MO*

Electrical engineering, testing, repair and maintenance services

FMH Aerospace *Irvine, CA*

Highly-engineered, flight-critical components and assemblies

Grakon *Seattle, WA*

Lighting systems and components

Ideal Tridon *Smyrna, TN*

Industrial gear clamps and couplings

Integrated Global Services *Richmond, VA*

Surface protection maintenance solutions for plant equipment

Integrated Polymer Systems *Long Beach, CA*

Polymer components for aerospace and defense

IOTA Engineering *Tucson, AZ*

Back-up power supply equipment

North American Substation Services *Altamonte Springs, FL*

Substation equipment installation, maintenance and repair services

O'Brien *St. Louis, MO*

Industrial tubing, instrument enclosures and testing loops

Q Holding *Twinsburg, OH*

Automotive and medical rubber components

Redco Group *Edmonton, AB*

Provider of wellhead and pressure control equipment

Royal Power Solutions *Carol Stream, IL*

Electrical connectivity components

Seaboard International *Houston, TX*

Onshore and offshore surface wellhead equipment

SPL *Houston, TX*

Outsourced testing, inspection, and certification (TIC) services

Voltyx *St. Louis, MO*

Outsourced electrical testing, repair, installation, and maintenance services

Xaloy *New Castle, PA*

Plastic processing wear components and ancillary equipment
