

Transformative Capital for the Industrial Market

25+
years

Who we are

IGP has over two decades of experience as a specialist in the industrial sector. We have raised more than \$3.4 billion in equity capital across six funds and have successfully invested alongside management in over forty platform transactions. We are backed by a blue-chip group of institutional Limited Partner investors.

How we work

We work with each of our teams in customized ways to help them unlock the unique potential of their businesses. Our role is highly collaborative and strategic in nature — facilitating management's efforts to build value in a business. We work with managers to pursue key initiatives that we believe are in the best interests of long-term company success.
